

How do I set out my Green Bin for collection?

You have **2** options!

Option # 1

- Line your In-house Bin with a bag. Plastic grocery bags are ideal for this.
- Fill your In-house Bin with organics.
- Transfer your tied organic filled bag into your Green Bin.
- Place your Green Bin at the curb on your collection day.

Option # 2

OR

- Line your Green Bin with a large bag.
- Fill your In-house Bin with organics.
- Empty loose organics into your lined Green Bin.
- Prior to collection, tie the large bag inside the Green Bin.
- Place Green Bin at the Curb on your collection day.
