

First Night

Wishing Tree

Make a wish for 2022!

What you will need

- Empty jar
- Twigs, small branches or pipe cleaners
- String or wool
- Wishing stars (template on page 2)
- Crayons or markers
- Scissors
- Single-hole punch or needle

Instructions

1. Bundle twigs, branches or pipe cleaners together (use string or wool if necessary)
2. Place them into an empty jar
3. Print the wishing star template
4. Decorate your wishing stars and write down your wishes for 2022
5. Cut out your wishing stars
6. Use a single-hole punch or needle to pierce each star and thread a piece of string or wool through it
7. Tie the stars to the branches of your tree
