

Oxford Street to Direzze Court Pedestrian Connection

Planned Design Work

Plans are underway for a new pedestrian connection between Oxford Street and Direzze Court. This includes a 3m wide bridge, concrete trailheads, sidewalk to Karindon Park, wayfinding signage, site furniture and planting. We also plan to remove the Shaun Beggs Park junior playground structure and utilize Karindon Park instead. Construction is scheduled for 2026, pending Council approval.

Public comments accepted until Sunday, October 6, 2024
