### **Explanatory Note to By-Law 144-24**

By-law 144-24 affects the Lands as shown on Schedules "A1" through "A12"

The purpose and effect of this amending Zoning By-law 144-24 is to permit four-storey buildings as-of-right in Major Transit Station Areas with a centres or corridors designation in the City of Richmond Hill's Official Plan. This zoning will enable a modest increase in density and housing in the City's identified intensification areas that are located in proximity to rapid transit. It is intended that this By-law implement the policies contained within Official Plan Amendment Number 59.
