

YOU'RE INVITED TO A PUBLIC OPEN HOUSE

for the:

Water Master Plan

Please join us to review proposed water infrastructure planning solutions to meet the City's growth projections and optimizing the existing drinking water system.

The study covers the entire jurisdiction of the City.

Project staff will be on-hand to hear your input and answer your questions. If you are unable to attend the in-person event, you will have a chance to view the proposed solutions and provide feedback between June 17 and July 5, 2026, by visiting the project webpage.

Tuesday, June 16, 2026

6 – 8 p.m.

Richmond Hill Municipal Offices

225 East Beaver Creek Road (Committee Room #2)

For more information on this project, please visit the City's website

RichmondHill.ca/WaterMP

Should you have any questions or comments, require further information, or wish to be added to the study mailing list for future updates, please contact one of the Study Team members:
