Table 3.4C Permitted Encroachment Special Provisions

Special Provision Number	Description of Special Provision
1	Encroachments into the provided separation distance may be permitted from more than one main wall or building on a lot.
2	No balcony encroachment into a minimum required yard or provided separation distance shall be enclosed to more than 50% of the vertical plane of the wall above floor level exclusive of roof supports.
3	No deck or porch shall be enclosed to more than 50% of the vertical plane from the floor to ceiling of the storey that it serves.
4	Notwithstanding Section 3.4(1), no balcony , pillar or structural support encroachments greater than 0.6 metres shall be permitted within the first 10.5 metres of building height of a mid-rise building or high-rise building abutting a front yard , flankage yard , or a rear yard or side yard abutting a street , lane or public park.
5	Notwithstanding any permitted encroachment into the provided separation distance , no portion of a building , structure or part thereof is permitted closer than 1.5 metres to the curved portion of lanes or drive aisles , or any sidewalk.

n) by amending Section 3.5 as follows:

- i. by adding the words "**Setback and Building**" before "**Separation**" in the section heading for 3.5;
- ii. by deleting Section 3.5 and replacing it with Section 3.5.1 as follows:

"3.5.1 Utility and Transportation Infrastructure

- (1) Notwithstanding other provisions of this By-law, any **building**, **structure**, **amenity space**, **swimming pool**, **parking area**, **loading space**, **parking space**, stacking lane space, bicycle parking space, **drive aisle**, or **private driveway** located at, above or below grade on lands within any **zone** shall have a minimum **setback** or **separation distance** of 7 metres to the TransCanada Pipeline right-of-way. This provision shall not apply to facilities related to gas and oil pipeline operations in accordance with Section 3.1.11.
- (2) Notwithstanding other provisions of this By-law, any **building** or **structure** located at, above or below grade on lands within any **zone** shall have a minimum **setback** of 30 metres to a Canadian National Railway or public transit railway right-of-way. This provision shall not apply to railways and related facilities in accordance with Section 3.1.11 (10).
- (3) Notwithstanding Section 3.4, no encroachments shall be permitted within the minimum **setbacks** or **separation distances** required in accordance with Section 3.5.1 (1) and (2)."

iii. by adding Section 3.5.3 as follows:

"3.5.3 Block Residential Development

- (1) The following provisions shall apply to any **buildings** permitted under **block residential development**:
 - a) A minimum **separation distance** shall be provided from a front **main wall** of a **building** of:

- i. 3 metres to a **street, lane, drive aisle, or sidewalk;**
 - ii. 6 metres to an **abutting lot;**
 - iii. 7.2 metres to a side **main wall** of another **building;** and,
 - iv. 12 metres to a front **main wall** of another **building.**
- b) A minimum **separation distance** shall be provided from a side **main wall** of a **building** of:
 - i. 1.2 metres to an **abutting lot;**
 - ii. 2.4 metres to a side **main wall** of another **building;** and,
 - iii. 7.2 metres to a rear **main wall** of another **building;**
- c) A minimum **separation distance** shall be provided from a flankage **main wall** of a **building** of:
 - i. 1.5 metres to a **lane, drive aisle, or sidewalk;** and,
 - ii. 3 metres to a **street.**
- d) A minimum **separation distance** shall be provided from a rear **main wall** of a **building** of:
 - i. 6 metres to a **street, lane, drive aisle, sidewalk, or an abutting lot;**
 - ii. 7.2 metres to a side **main wall** of another **building;**
 - iii. 12 metres to a rear **main wall** of another **building;** and,
 - iv. notwithstanding (i), (ii) and (iii), where a rear **main wall** contains an **attached garage** and there are no windows or other openings on the **first storey**, the minimum **separation distance** to a **lane** or **drive aisle** shall be 1.5 metres for the portion of the rear **main wall** of the **first storey** and 3 metres to any portion of the rear **main wall** above the **first storey.**
- e) Notwithstanding any other minimum **separation distance** requirement:
 - i. the minimum **separation distance** from any portion of a **building** to the curved portion of **lanes** or **drive aisles**, or any sidewalk shall be 1.5 metres;
 - ii. the minimum **separation distance** from any portion of a **building** to a **parking area** shall be 3 metres;
 - iii. the minimum **separation distance** from any portion of a **main wall** of a **building** that

serves as a **parking structure** entrance to a **drive aisle** shall be 0 metres; and,

- iv. the minimum **separation distance** from a front or side **main wall** of a **building** to an abutting **lot** within a Greenway System zone or an abutting **lot** with a **public authority use** as the principal use within any zone shall be 3 metres, except in accordance with Section 3.5.1 of this By-law."

o) by adding Section 3.5.2 as follows:

"3.5.2 Mid-Rise Buildings and High-Rise Buildings

- (1) Where two or more **mid-rise buildings** or **high-rise buildings** are located on the same **lot**, the following minimum horizontal **separation distance** of such **buildings** shall apply:
