Sportball Parent & Child Indoor Soccer

Parents and caregivers can have a direct hand in a preschooler's development through our Sportball soccer classes. Children are taught the fundamental skills necessary to excel in soccer. These include throw-ins, dribbling, trapping, passing, goalie skills and more. Classes are dedicated to skills development and putting those skills to work in an exciting, non-competitive game.

Sportball Parent & Child Multi-Sport

Parents and caregivers can have a direct hand in a preschooler's development through our Multi-Sport program. This Parent & Child program teaches children important introductory physical skills associated with our eight core sports (hockey, soccer, tennis, baseball, volleyball, golf, basketball and football) and help them to develop confidence in their abilities. The programs also help adults understand proven teaching techniques that can be applied outside of Sportball classes. Classes focus on refining, rehearsing and repeating skills and playing games in a fun, creative, non-competitive environment.
