

Heron View Park

Planned Construction Work

The City of Richmond Hill is constructing Heron View Park. The park includes a junior and senior playground, soccer field, colour coated tennis courts with lighting, basketball court, fitness equipment, fitness loop, site furnishings including seating with umbrellas, park signage, and planting.

Park construction is scheduled to begin shortly and be completed by November 2026, weather permitting. As a measure of safety, the park will be closed during construction and residents are asked to refrain from entering the park. Thank you in advance for your patience during the construction phase of this project.
