

Instructions: How to make Resolution Bracelets

1. Start by writing down on the resolution card and then make yourself any kind of bracelet that you'd be happy to wear.
2. Measure the bracelet string and cut the string to fit your wrist.
3. Use the letter beads to spell out your word or goal for the New Year and add other beads to the string as desired.
4. Tie the bracelet around your wrist and show off your Resolution Bracelet!

Supplies needed:

- Paper for a resolution card
- Scissors
- Bracelet beads (with and without letters)
- Bracelet string
